

Schwamm – «Crazy Beaches Remixes»

Remixes by Big Clap, Johnny Tumper, Soultourist & Foster

12" Vinyl – 4 Tracks (BBTQ007)

It's the Year 2000 revisited. The downbeat-houser „**Crazy Beaches**“ by Schwamm is at present five years old, reason enough to revisit the legendary – so wonderfully reduced – track with a large entourage of remixes.

Schwamm aka **Big Clap**, **Johnny Tumper** (aka **Sequel**), **Soultourist** and **Foster** present their mixes on **BBTQ007** and swirl its samples and melody through the aether. On the floor, the vibes are absorbed dancing, feet close to the water's edge of the wonderful beach.

The **four remixes on vinyl** are richly supplemented online: each Maxi contains an access code to **additional MP3-remixes**, which can be downloaded online on www.bitboutique.ch. **Apoll** (Tongut), **Canson** (Handheld), **Marco Repetto** (Inzect), **Cycle Repair** (Bitboutique), **Arian Cerrdor** (Meadow) and many further artists present their versions of Crazy Beaches. A digital bonus to the analogue Vinyl.

„**Crazy Beaches**“ – with its origin in House – as a **digital disco** celebrates oldschool-influenced **minimal House** and the zeitgeist on vinyl. Five years after the original, it appears that Zurich is musically alive like rarely before. A Maxi – four analogue grooves on vinyl and in addition a number of **digital Remixes free for download** (including the original by Schwamm) to show how crazy the non-existent beaches in Switzerland can be.

Big Clap: An already familiar acquaintance on Bitboutique (remix on BBTQ004 and together with Johnny Tumper as Inflight on BBTQ006), Big Clap aka Schwamm aka Pascal Dubach contributes the prototype to this Release. www.bigclapmusic.com | www.inflight-music.com

Johnny Tumper: With remixes and releases on Straight Ahead, Compost, Zest and Sonar Kollektiv, Gianni Siravo aka Sequel maintains a high musical profile. With Inflight (together with Big Clap), a release has already appeared on Bitboutique (BBTQ006). www.johnnytumper.com | www.inflight-music.com

Soultourist: The Soultourist boat is crewed by Phil Wuger, Foster, Ron Shiller, and Big Clap – however the rowing is done in shifts. Whether together on 'Sonar Kollektiv', or with the remix produced by Phil Wuger and Foster on Bitboutique – Soultourist show that the permanent mixture makes the decisive difference. www.soultourist.com

Foster: Versatility at its best comes from Foster. Tobias Schweizer celebrates cultivated old school and nevertheless leaves the deep house influences sufficient room to expand.

Release Details:
